The Board of Osteopathic Examiners, established in 1914, consists of five members appointed by the Governor for three-year terms from a full list of members in good standing of the Maryland Osteopathic Association (Code 1951, Art. 43, secs. 428-441).

The Maryland Board of Osteopathic Examiners investigates the credentials of an applicant for license to practice osteopathy within the State and issues or refuses such licenses. It holds two meetings each year to examine these applicants whose credentials will not warrant issuing of a license through the Previous Practice or Reciprocity Acts. The Board cooperates with municipal and State officials in enforcing the laws regulating the practice.
