

The practice of psychology in Maryland is regulated by the State Board of Examiners of Psychologists, which consists of five members appointed by the Governor from a list of nominees presented by the Maryland Psychological Association, Inc., with the advice and consent of the Senate of Maryland. (Code 1951, 1957 supp., Art. 43, secs. 577-603).

The Board evaluates the professional training, experience, and other qualifications of psychologists in the State and issues certificates to those who fulfill the requirements. The certificates expire on March 31 of each year and must be renewed annually. The Board administers examinations to qualified applicants for certification at least once each year. During the month of June of each year, the Board publishes a complete roster of certified psychologists in the State.

This Commission has general planning and park jurisdiction over the Maryland-Washington Metropolitan District created in 1927 and the Maryland-Washington Regional District created in 1939. Both districts are within Montgomery and Prince George's counties adjoining the District of Columbia and embrace approximately 203 square miles and 691 square miles, respectively. The 1957 estimated population of the entire Regional District in both counties exceeds 600,000 persons.

The 1957 estimated taxable basis of the Montgomery County portion of the Regional District is \$867,000,000 and of the Metropolitan District, \$752,000,000. The 1957 estimated taxable basis of the Prince George's County portion of the Regional District is \$508,000,000 and of the Metropolitan District, \$402,000,000.

The Commission has been given, through bi-county enactments of the Maryland General Assembly, definite jurisdiction over the planning of the Maryland-Washington Regional District, which includes all of Montgomery County and all of suburban Prince George's County.

The Commission, newly enlarged, is composed of ten members, five of whom must be residents of Montgomery County and five residents
