St. Mary's Seminary Junior College was chartered in 1839. It is governed by a board of twelve trustees appointed by the Governor for six-year terms. The College offers courses in the liberal arts with the primary objective of preparing students for transfer to the junior class of senior colleges and universities. The State has established twenty-nine four-year scholarships, one for each county and each Legislative District of Baltimore City. The scholarships are awarded annually on a basis of need to candidates who have passed examinations conducted by the County Board of Education or the Board of School Commissioners of Baltimore City (Code 1957, Art. 77, secs. 260, 282). The 1958-59 enrollment was 283.

The Anatomy Board is an ex officio body composed of the head of the anatomy department and one additional instructor of anatomy from the University of Maryland School of Medicine and from The Johns Hopkins University School of Medicine. The agency insures the fair distribution of cadavers to qualified medical schools. These are of deceased persons who otherwise would be buried at public expense. Any such body claimed by relatives is surrendered for burial. Those unclaimed are used only for the promotion of medical science within the State of Maryland (Code 1957, Art. 43, secs. 158-61).
