

Chief Psychiatrist of the Department of Correction and is in charge of the psychiatric and psychological work in all State penal institutions. He is appointed by the Governor, with the advice and consent of the Senate, from a list submitted by a special committee composed of the Professor of Psychiatry at the University of Maryland Medical School, the Professor of Psychiatry of The Johns Hopkins University School of Medicine, and the Chairman of the Board of Correction. He holds office during good behavior.

An Associate Director, appointed by the Director from a list submitted by the Department of Correction, subject to the approval of the Advisory Board for Defective Delinquents, is in charge of administration and custodial care of this Institution.

The Advisory Board for Defective Delinquents confers with the staff of the Institution and with the Board of Correction about the problems and work of the Institution. The Board consists of the Professor of Psychiatry in the Medical School of the University of Maryland, or someone designated by him; the Professor of Psychiatry at The Johns Hopkins Medical School, or someone designated by him; two sociologists, one from the University of Maryland and one from The Johns Hopkins University, appointed by the respective presidents of these two universities; the full-time Professor of Constitutional Law at the University of Maryland School of Law, or such other full-time professor of this law school whom its Dean shall designate; and two practicing members of the Maryland Bar, with at least five years experience in the trial of civil and criminal cases, appointed by the Governor for five-year terms.

The Patuxent Institution takes custody of intellectual and emotional defective delinquents committed by the Courts or transferred to it by the Board of Correction. The Institution operates a Diagnostic Center, not under the supervision of the Board of Correction, which submits to the Courts upon request psychiatric and psychological evaluations of the patients whom the Courts have referred to the Institution. All sentences from the Courts to the Institution must be indeterminate (Code 1957, Art. 31B).

The Institution offers an educational, industrial, and vocational program.

The average population of the Patuxent Institution for the fiscal year 1958 was 271.
