The State Library was established by Chapter 53, Acts of 1826. The Library Committee, which is composed of at least three members appointed by the Court of Appeals (Code 1957, Art. 41, secs. 166-69), exercises general supervision over the Library and appoints the Director (Code 1957, Art. 41, sec. 170).

The Library consists of a legal section of approximately seventy-two thousand (72,000) volumes, and a reference section of approximately forty-eight thousand (48,000) volumes. The reference section contains many rare books, maps, and documents, including the subscription edition of the four elephant folio volumes of Audubon's *Birds of America*, the most complete file now in existence of the early issues (1745-1838) of the *Maryland Gazette*, bound volumes and microfilm copies of the Baltimore Sunpapers from 1837 until the present, as well as other early newspapers and periodicals. In addition, the Library possesses an almost complete set of the United States Documents, Serial number series, dating back to the Continental Congress.

The Law Library, which contains all state, federal, and many foreign court reports, session laws, codes, legal texts, compendiums, legal periodicals, and other legal reference material, is an integral part of the operation of the Court of Appeals of Maryland and furnishes legal, reference and research material and facilities to the court, judges, lawyers, State departments and officials, and the general public. The Library is designated as a United States Depository Library. All State officials and agencies are required by law to place one copy of all of their reports and other publications in the Library (Code 1957, Art. 41, sec. 144).

The Library is the distributing agency for the session laws and journals (Code 1957, Art. 41, secs. 162-64) and the *Maryland Reports* (Code 1957, Art. 41, sec. 165). The Library also distributes the *Annotated Code of Maryland* under the direction of the Board of Public Works.
