

The Interstate Compact places under the jurisdiction of the administrator, during the parole or probationary period, any person convicted of an offense within the State of Maryland who may thereafter be placed on probation or released on parole to reside in another state. Similarly, the administrator decides whether parolees and probationers from another state may reside in Maryland (Code 1957, Art. 41, sec. 129).

The Charter of Maryland empowered Lord Baltimore to raise troops to put down insurrection or rebellion and to subdue the enemies of the province. Since that time the organization, maintenance, and administration of the State militia has been an integral part of the State's functions. The present military establishment of Maryland conforms to Title 32, U. S. Code and regulations issued pursuant thereto, and to the Militia Law of Maryland (Code 1957, Art. 65).

The Adjutant General is appointed by the Governor with the consent of the Senate and serves until his successor is appointed and qualified or until he is removed from office as a result of sentence imposed by court martial (Const. 1867, IX, 2). The Ranking Line Officer (at the present time also the Adjutant General) is head of the Military Department and exercises all his powers and duties under the Militia Law of Maryland.

The Military Department prepares all State forms and records required for use by the militia, and the reports and returns required by the Federal Government. It maintains a register of all commissioned officers, and service records of all officers and enlisted men of the Maryland National Guard.

The Ranking Line Officer is the custodian of all State and Federal property used by the organized militia and apportions and provides for the proper application of funds for the military establishment. He also maintains all State-owned armories located in Maryland and all other properties which may be occupied, purchased, or leased by the Military Department. The Ranking Line Officer makes all regulations for the use of such facilities, and applications for their use should be made to him.

In time of war or other national emergency when the National Guard is absent from the State, the Governor, as Commander-in-Chief of the militia, has the power to organize the Maryland State Guard. Such forces are separate and distinct from the National Guard and are composed of officers, commissioned or assigned, and all able-bodied male citizens of the State who volunteer and are accepted for service.
