

Region (Caroline, Cecil, Dorchester, Kent, Queen Anne's, Somerset, Talbot, Wicomico, and Worcester counties); the Southern Region (Anne Arundel, Calvert, Charles, Prince George's, and St. Mary's counties); the Western Region (Allegany, Frederick, Garrett, Montgomery, and Washington counties); and the Baltimore City Region. Initially, the Governor, the President of the Senate, and the Speaker of the House of Delegates each made five appointments to the Board, one from each region. The President of the Senate designated the chairman of this temporary board, and the chairman called the first annual meeting. At this meeting held on February 16, 1961, and at each annual meeting thereafter, members of the Corporation from at least three of the five economic regions elect two directors from each region for one-year terms. These directors must be United States citizens and residents of the economic region from which they are appointed or must maintain a regular place of business there. The stockholders of the Corporation elect the remaining five directors for one-year terms; these must be United States citizens and residents of the State. The Board elects its own chairman. The Corporation may borrow or lend money and buy, hold, or sell real or personal property, including industrial plants or other business establishments.

The Corporation established Loan Committees of five members for each economic region. All requests for loans are to go through these committees, which will review the applications and make recommendations to the Board of Directors. Final decision will lie with the Board (Code 1957, 1962 Supp., Art. 23, secs. 412-419).
