The State Board of Cosmetologists, created by Chapter 282, Acts of 1935 as the Board of Hairdressers and Beauty Culturists, received its present name by Chapter 278, Acts of 1961. The Board consists of three members appointed by the Governor for three-year terms. All members of the Board must have had at least five years' practical experience in hairdressing or beauty culture. They may not be affiliated with any firm manufacturing or selling any merchandise or commodity used in beauty shops, nor be directly or indirectly connected with any school of beauty culture. No two members shall serve at the same time who are graduates of the same school of beauty culture.

The Board examines, licenses, and registers all persons engaged in or teaching hairdressing and beauty culture within the State. It supervises all beauty shops and schools of beauty culture in the State in all matters pertaining to health and sanitation. The Board may issue regulations, conduct hearings, administer oaths, and compel the attendance of witnesses. It holds examinations, both practical and written, once in every three months. The examinations are usually held in Baltimore (Code 1957, Art. 43, secs. 539-55).

The General Assembly established this Board by Chapter 150, Acts of 1884. The Governor appoints its six members for six-year terms. He appoints two members biennially from a list of four practicing dentists furnished by the Maryland State Dental Association. The Dental Practice Act of the State provides that this Board regulate the practice of dentistry by testing the qualifications of candidates for licenses in dentistry and in dental hygiene.

All applicants for licenses to practice dentistry must be at least twenty-one years of age and graduates of dental colleges duly incorporated to grant degrees in Dental Surgery by the laws of one of the United States or Canada. All applicants for a license to practice dental hygiene must be graduates of a school for dental hygienists requiring at least two years of study and approved by the State Board of Dental Examiners. Examinations, held twice every year, are both written and practical. Every dentist and every dental hygienist must register annually (Code 1957, Art. 32).
