<sup>2</sup> SEC. 61. (a) The General Assembly may authorize and empower any county or any municipal corporation, by public local law:

(1) To carry out urban renewal projects which shall be limited to slum clearance in slum or blighted areas and redevelopment or the rehabilitation of slum or blighted areas, and to include the acquisition, within the boundary lines of such county or municipal corporation, of land and property of every kind and any right, interest, franchise, easement or privilege therein, by purchase, lease, gift, condemnation or any other legal means. The term "slum area" shall mean any area where dwellings predominate which, by reason of depreciation, overcrowding, faulty arrangement or design, lack of ventilation, light or sanitary facilities, or any combination of these factors, are detrimental to the public safety, health or morals. No land or property taken by any county or any municipal corporation for any of the aforementioned purposes or in connection with the exercise of any of the powers which may be granted to such county or municipal corporation pursuant to this section by exercising the power of eminent domain shall be taken without just compensation, as agreed upon between the parties, or awarded by a jury, being first paid or tendered to the party entitled to such compensation.
