

Emphasis is placed upon the presentation of a standard four-year course in the liberal arts and teacher training, both elementary and secondary. Both day and evening courses are offered, and at the present time, students may complete all requirements for the major in Business Administration, Sociology, and History through study in the Evening College. A Summer session is conducted as a part of the regular work of the college, and includes in-service training for teachers in Maryland schools.

A graduate program leading to the master's degree, primarily for elementary and secondary school teachers, was inaugurated in the academic year 1964-65.

During the academic year 1964-65, Morgan had an enrollment in all divisions of 4,156, including 2,807 day students, 309 evening students, and 1,040 summer students.

St. Mary's College of Maryland was originally chartered by Chapter 190, Acts of 1839. It received its present name by Chapter 59, Acts of 1964. It is governed by a board of twelve trustees appointed by the Governor for six-year terms. The College offers courses in the liberal arts with the primary objective of preparing students for transfer to the junior class of senior colleges. The State has established twenty-nine 2-year scholarships, one for each county and each legislative district of Baltimore City. The scholarships are awarded annually on a basis of need to candidates who have passed examinations conducted by the State Scholarship Board. There are also four tuition scholarships (two in business and two in education) awarded annually by the St. Mary's County Board of County Commissioners (Code 1957, 1965 Supp., Art. 77, secs. 260, 282).
