

be a member of the Maryland State Senate, and one, a member of the Maryland House of Delegates. One must represent the Medical and Chirurgical Faculty, and one the Baltimore City Medical Society. In addition, one must represent labor, one must represent industry, one must be specially knowledgeable in research, one must be associated with the work of charitable organizations, and three must be selected because of their interest in the problems of the aging. The remaining six members must be, ex officio, the Commissioner of the State Department of Health, the Commissioner of the Department of Mental Hygiene, the Director of the State Department of Public Welfare, the State Superintendent of Schools, the Executive Director of the Department of Employment Security, and the Director of the State Planning Department. The Commission appoints an Executive Director.

The Commission studies the problems of the aging in order to promote their welfare in every manner possible. It cooperates with, and receives the cooperation of, other State agencies. It must report to the Governor and the General Assembly each year (Code 1957, 1967 Repl. Vol., Art. 70B).

At the request of the General Assembly, the Governor created this permanent Committee in 1959 to develop and recommend standards to insure that out-of-state farm laborers shall be imported, maintained, and employed in Maryland under satisfactory conditions of housing, sanitation, health, and welfare. The Legislature specified the following membership for the Committee: the Commissioner of Health; the Director of the State Department of Welfare; the State Superintendent of Schools; the Commissioner of the Department of Labor and Industry; the Executive Director of the Department of
