The Department of Post-Mortem Examiners created by Chapter 369, Acts of 1939 to replace a decentralized system of local coroners, is directed by a commission composed of a representative of the State Department of Health, the Commissioner of Health of Baltimore City, the Superintendent of Maryland State Police, and the Professors of Pathology at The Johns Hopkins University and the University of Maryland. The Department replaced the coroners of Baltimore City by a Chief and two Assistant Medical Examiners, and the county coroners by Deputy Medical Examiners. In 1957 the General Assembly authorized three Assistant Medical Examiners and an Assistant Toxicologist and in 1965 an additional Medical Examiner
