The General Assembly established this Board by Chapter 150, Acts of 1884. The Governor appoints its six members for six-year terms. He appoints two members biennially from a list of four practicing dentists furnished by the Maryland State Dental Association. The Dental Practice Act of the State provides that this Board regulate the practice of dentistry by testing the qualifications of candidates for licenses in dentistry and in dental hygiene.

All applicants for licenses to practice dentistry must be at least twenty-one years of age and graduates of dental colleges duly incorporated to grant degrees in Dental Surgery by the laws of one of the United States or Canada. All applicants for a license to practice dental hygiene must be graduates of a school for dental hygienists requiring at least two years of study and approved by the State Board of Dental Examiners. Examinations, held twice every year, are both written and practical. Every dentist and every dental hygienist must register annually (Code 1957, 1967 Repl. Vol., Art. 32).
