It formulates proposals for, and works towards, the adoption of compacts, uniform or reciprocal statutes and administrative rules; it promotes the cooperation of government officials with one another; and in general it works to bring the various governments in the United States into closer contact and to develop the Council of State Governments for this purpose. The Commission may establish delegations and committees to carry on its work and is required by the creating Act to report to the Governor and to the Legislature within fifteen days after the convening of each regular session and at other times deemed appropriate (Code 1957, 1965 Repl.
