In 1964, the Governor appointed the Governor's Study Group on Vocational Education in order to have a full and complete study made of the need for a Comprehensive Vocational Rehabilitation Center in Maryland. In August 1966, the Study Group approved recommendations for the Center which is to be administered by the State Department of Education's Division of Vocational Rehabilitation. The General Assembly in 1967 approved funds to proceed with the detailed working drawings.

In September 1966, the Governor's Study Group was awarded a Vocational Rehabilitation Administration grant for the purpose of conducting a comprehensive study of the State's total rehabilitation efforts, including the orderly development of public and non-profit services and resources, in order that, by 1975, vocational rehabilitation services will be available to all handicapped people in Maryland in need of such services. The Governor's Study Group will continue to be the sponsoring agent for this expanded study until the Fall of 1968.
