This Board, created by Chapter 172, Acts of 1904, consists of five members appointed by the Governor upon the recommendation of the Secretary of Health and Mental Hygiene for three-year terms. As vacancies occur, the Maryland State Nurses Association submits to the Governor and to the Secretary of Health and Mental Hygiene the names of five of its members from which the Governor selects appointees. The Board examines all applicants for registration as "Registered Nurse" and as "Licensed Practical Nurse" and issues the proper certificates. It keeps a register of the names of all "Registered Nurses" and all "Licensed Practical Nurses" which is open at all reasonable times to public scrutiny. The Board renews "Registered Nurse" and "Licensed Practical Nurse" licenses biennially. The Board prescribes standards for nursing education programs and surveys such programs as is necessary in order to meet the requirements of the Board (Code 1957, 1965 Repl. Vol., 1969 Supp., Art. 43, secs. 290-302).

The Board cooperates with the National League for Nursing in the preparation of its State Board Test Pool Licensing Examinations and uses these examinations.

The State Board of Funeral Directors and Embalmers, created as the State Board of Undertakers by Chapter 160, Acts of 1902, received its present name by Chapter 503, Acts of 1937. The Governor, upon the recommendation of the Secretary of Health and Mental Hygiene, and by and with the consent of the Senate appoints the nine members of the Board for four-year terms. Four members must be residents of Baltimore City, and five must be residents of the counties. The Commissioner of Health serves as an ex officio member of the Board. Every person carrying on the business of funeral directing and embalming in the State must register with, and procure a license from, the Board. The Board must renew licenses annually, and it has the power to suspend or revoke any license. The Board makes regulations for the enforcement of provisions in the laws regarding funeral directing and embalming. In general, the laws deal with qualifications and examinations of applicants for license and registration. Examinations are held annually in Baltimore City (Code 1957, 1965 Repl. Vol., 1969 Supp., Art. 43, secs. 339-63).
