The State Aviation Commission, created by Chapter 318, Acts of 1929, is composed of five members appointed by the Governor for three-year terms.

The Commission has general supervision over aeronautics in Maryland. It is empowered and directed to encourage, foster, and assist in the development of aviation in the State. The Commission recommends necessary legislation to advance the interests of the State in aeronautical matters before Federal agencies and other State agencies, and provides for the protection and promotion of safety in aeronautics. The Commission is authorized to make such rules and regulations for its administration as it may deem expedient and may from time to time amend such rules and regulations. It inspects and licenses all airports and registers for licensing all aircraft, pilots, aeronautical schools, and ground instructors in the State. The Commission must approve the planning and development of airport sites and airports in Maryland and administer the Federal funds allocated for the planning and development of airport sites and airports (Code 1957, Art. 1A, secs. 3-5, 14-15, 17-19, 21-23, 25-28, 31-36).
