

The Board of Inspection of Horse Riding Stables was created by Chapter 474, Acts of 1968. The Board consists of three members appointed by the Governor for four-year terms. One member must be a duly qualified and licensed veterinarian and one member must be an officer of a County Humane Society. The Board selects its own Chairman. All members serve without compensation.

The Board makes all necessary rules and regulations for the proper performance of their duties. It also provides for the filing of applications for licenses and makes rules and regulations for the qualifications of applicants. The Board may designate officers of County Humane Societies, Societies for the Prevention of Cruelty to Animals, and Licensed Veterinarians to act as its agent and to make routine inspections. Such agents serve without pay.

The Board is empowered to license all horse riding stables where one or more horses or ponies are let for hire to be ridden or driven, either with or without the furnishing of riding or driving instructions, and Sales Barns, including all establishments where horses are sold, including Auction Barns (Code 1957, 1964 Repl. Vol., 1968 Supp., Art. 56, secs. 128-130D).

The Courts of the Province were first authorized to examine persons seeking to practice law in 1715 (Acts 1715, chap. 48, sec. 12). The examination of attorneys remained as a function of the several courts of the State until 1898, when the Legislature created the State Board of Law Examiners (Chapter 139, Acts of 1898). The Board is composed of three members appointed by the Judges of the Court of Appeals. Twice yearly, in the winter and summer, in the City of Baltimore, the Board conducts examinations for admission to the Bar. It also passes upon the petitions of attorneys from other states desiring admission. The Board passes upon appeals from the findings and recommendations of the Character Committees of the various circuits. Law students expecting to practice in Maryland must register their intentions with the Board. The Court of Appeals formulates the rules governing the Board, but the Board may prescribe rules for the conduct of examinations, providing such rules do not conflict with those made by the Court (Code 1957, 1968 Repl. Vol., Art. 10, secs. 2-8).
