COMMISSIONERS FOR THE PROMOTION OF UNIFORMITY OF LEGISLATION IN THE UNITED STATES

Chairman: M. King Hill, Jr., 1971

Morton M. Robinson, 1971; William P. Cunningham, 1971.

17th Floor, One Charles Center, Baltimore 21201 Telephone: 727-1164

The General Assembly, by Chapter 264, Acts of 1896, established the Commission for the Promotion of Uniformity of Legislation. The Governor, every four years, appoints three Commissioners, who represent Maryland in the National Conference of Commissioners on Uniform State Laws. They receive no salary but are allowed their actual disbursements for expenses (Code 1957, 1965 Repl. Vol., Art. 41, secs. 153, 154). The Commissioners meet on call of the chairman to determine what acts to sponsor before the Legislative Council of Maryland. The National Conference drafts laws to be submitted to the legislatures of the several states and recommends measures for the promotion of uniform legislation.

The Southern Interstate Nuclear Board operates under the terms of the Southern Interstate Nuclear Compact of 1961 (Public Law 87-563), which was ratified by the legislature of Maryland by Chapter 680, Acts of 1963. In addition to Maryland, all of the seventeen eligible states have ratified the Compact. The purpose of the Southern Interstate Nuclear Board is to assist the member states and the region to achieve benefits and meet responsibilities of nuclear energy, facilities, materials, and products. By resolution in 1962, the Southern Governors' Conference asked the Southern Interstate Nuclear Board to provide similar aid in the areas of space and related technology.
