

INCORPORATED CITIES AND TOWNS

The title of the executive officer is Mayor, except in those towns marked with an asterisk (*), where the title is President of the Town Commission, and in other towns as noted in the list below. The term of the Mayor and the date of election is specified in each town's charter, and differs from town to town. However, the voluntary model for municipal government, contained in the Municipal Corporation Charter Act of 1955, provides that the Mayor shall be elected in May of every second odd number year (Code 1957, 1966 Repl. Vol., Art. 23B). The list below was compiled from information furnished by the Maryland Municipal League.
