Chapter 41, Acts of 1963 established the Board of Trustees of the State Colleges to direct and control the four-year public colleges of the State. The Board consists of nine members, eight of whom are appointed by the Governor. The State Superintendent of Schools serves as an ex officio member. The eight appointive members serve for nine-year terms and may be reappointed (Code 1957, 1965 Repl. Vol., Art. 77, Chap. 13, secs. 164-65).

The Board of Trustees submits an annual report in January of each year to the Governor and to the members of the General Assembly which includes a summary of the Board's major activities for the preceding year together with a financial statement and other statistical data pertaining to the State Colleges.

The Board also publishes, as necessary, a brochure for distribution throughout the State which is entitled "Consider a Maryland College." The purpose of the brochure is to provide prospective college students a brief description of the public colleges under the jurisdiction of the Board of Trustees.
