The Southern Interstate Nuclear Board operates under the terms of the Southern Interstate Nuclear Compact of 1961 (Public Law 87-563), which was ratified by the legislature of Maryland by Chapter 680, Acts of 1963. In addition to Maryland, seventeen states and the Commonwealth of Puerto Rico have ratified the Compact. The purpose of the Southern Interstate Nuclear Board is to assist the member states and the region to achieve benefits and meet responsibilities of nuclear energy, space, and related technologies through direct staff services and the pooling of energy, resources, special skills and talents of personnel and physical capabilities.

The Southern Interstate Nuclear Board provides assistance to state and local governments in areas of industry, agriculture, medicine, labor, legislation, public health, public information, electric power, education, transportation and environmental quality. The Maryland representative on the Board serves for a term which runs concurrently with that of the appointing Governor (Code 1957, 1971 Repl. Vol., Art. 41, secs. 319-332).
