Washington College is a liberal arts and sciences, and co-educational college established in 1782. The Board of Visitors and Governors consists of 37 members, of whom twelve are appointed by the Governor, one from each of the counties on the Eastern Shore and three at large. Twelve members are appointed by the alumni of the College and twelve are selected by the Board itself. The 37th member is the President of the College, who is elected by the Board. All terms are for six years (Chapter 121, Acts of 1922).

The Maryland Workshop for the Blind is a State-aided institution established by the General Assembly by Chapter 566, Acts of 1908. Control is vested in a board of five trustees; three are appointed by the Governor, with Senate approval, and two are elected by the Board of Directors of the Maryland School for the Blind. The purpose of the Workshop is to conduct a sheltered workshop program for the training, work rehabilitation, continuous employment as well as to furnish other services to the adult blind of Baltimore City and the twenty-three counties.

The Workshop operates through divisions. The Baltimore Training and Work Center, the Vending Stand Division and the Home Service Division are located in Baltimore City. The Western Maryland Training and Work Center is in Cumberland, where the Western Maryland Branch was authorized by Chapter 100, Acts of 1955 and was established to serve the blind adults of the three western counties. The Eastern Shore Training and Work Center, located in Salisbury, was established in May 1969, to serve blind adults in that area.

The Vending Stand Division manages the operations of vending stands on Federal, State, and local government properties and on private properties. The Federal Stand Program was officially established in 1936 and the Maryland Workshop for the Blind was made the licensing agency and served as such until August 31, 1958. By Public Law 565, the Division of Vocational Rehabilitation of the State Department of Education was designated as the licensing agency for the vending stands located on Federal properties. The provisions of this law became effective under an agreement dated September 1, 1958, between the Maryland State Board of Education and the Maryland Workshop for the Blind under which the latter agency has continued to serve in a management capacity. In addition, the Workshop is the distributing agency of the Library of Congress for the U. S.
