

(h) Each participating school shall promptly report to the Board the name of any student for whom a voucher has been submitted who has withdrawn or is no longer enrolled in the school, and shall remit to the Board a pro-rated amount of said voucher in accordance with rules promulgated by the Board.

#### 220. Reduction in Value of Scholarships.

(a) In the event that the funds available for the program are not adequate to cover the cost of all scholarships properly applied for by September 1, the Board shall compute a fraction, the numerator of which shall be the total funds available for scholarships under the program and the denominator of which shall be the value of all scholarships properly applied for by September 1. Each scholarship which would have been awarded if sufficient funds were available shall thereupon be reduced by a fraction equivalent to one (1) minus the fraction so computed by the Board.

(b) In the event that any child is enrolled in a participating school and an application for scholarship has not been made by September 1, the parent of such child may apply to the Board for a scholarship in the same manner as set forth in Section 218 of this article. Upon receipt of such application and verification of the information herein, as provided in said Section 218, the Board shall issue a scholarship voucher in an amount equal to the voucher which would have been issued had the application been filed by September 1, reduced by a pro-rated amount upon the actual date of the application, the pro-rated reduction to be determined in accordance with rules promulgated by the Board. In the event that there are not then remaining sufficient funds to pay for the full value of the said voucher as reduced, then the voucher shall be further reduced to the extent of any deficiency in available funds. Where funds are not sufficient to pay for all scholarships applied for after September 1, then the priority of the issuance of scholarship vouchers shall be determined in accordance with the date the application is filed with the Board, on a first come, first served basis.
