The Board of Examiners of Nursing Home Administrators was established by Chapter 262, Acts of 1970 to examine, license and register nursing home administrators.

The Board consists of nine members appointed by the Governor upon the recommendation of the Secretary of Health and Mental Hygiene for three-year terms. The Governor designates the Chairman and the Vice Chairman, while the Board appoints the Executive Secretary. The membership includes four individuals who are actively engaged in the management and operation of a nursing home, four persons other than nursing home administrators who are actively engaged in professions concerned with the care of the aged and the chronically ill, and one member appointed from the general public who is not engaged in the management, ownership, operation or supervision of any nursing home or hospital.

The Board establishes reasonable fees for the issuance of licenses and biennial registrations, and enforces standards. It also develops appropriate techniques and procedures for the issuance of licenses and, if necessary, may establish procedures for the revocation or suspension of any license. In addition, the Board establishes rules and regulations for its operation and conducts a continuing study of nursing homes and administrators of nursing homes. The Board
