This Board was created by Chapter 430, Acts of 1967. It consists of nine members appointed by the Governor from among representatives of municipal government, sanitary or metropolitan commissions, a water works superintendent, a wastewater works superintendent, a farmer, an engineer, and representatives of the State Department of Health and Mental Hygiene and the Water Resources Administration. Members serve for four-year staggered terms, except that the representatives of the Department of Health and Mental Hygiene and the Water Resources Administration serve at the pleasure of their appointing authorities.

The Board is to establish a certification program for Superintendents of water works, wastewater works, and industrial wastewater works to protect public health and to prevent pollution. The Board also coordinates examinations for Superintendent certification (Code 1957, 1971 Repl. Vol., Art. 43, sec. 406A).
