Ex officio members: Vladimir A. Wahbe, Secretary of the Department of State Planning; James B. Coulter, Secretary of the Department of Natural Resources.

The Program Open Space Committee, originally created by Chapter 403, Acts of 1969, was reconstituted by Chapter 626, Acts of 1972. The Committee consists of nine appointed members and two ex officio members. Of the appointed members two represent the State Senate, three the House of Delegates, and four the public at large. The Secretary of the Department of State Planning and the Secretary of the Department of Natural Resources serve as ex officio members. Members are appointed by the Governor and serve indefinite terms.

The Committee was originally formed as the result of the issuance of a State loan known as the "Outdoor Recreation Land Loan of 1969," as amended. It is to prepare and adopt an apportionment formula relating to the percentage of the total funds each subdivision shall be able to receive (Natural Resources Article 5-901 to 5-907).
