The Division makes such investigations as may be required by the Uniform Out-of-State Parolee Supervision Act concerning parolees and probationers from other states now living in Maryland. Recently the Division has shown tremendous growth in investigation and supervision workload. It is now developing a diversification of its services which are geared to the needs of parolees and probationers in the community. These include an Employment Program to secure adequate jobs for worthy individuals unable to obtain their own; an Alcoholism Rehabilitation and Narcotics Program which aids those so addicted; and Family Consultations which provide counseling assistance in family and marital problems. While rendering these and other services, each Parole and Probation agent serves as a counselor and makes appropriate referrals to other agencies, public and private, to facilitate rehabilitation, bearing in mind that the protection of society and the rehabilitation of the offender are primary goals.
