Morgan State College was organized in 1867, under the auspices of the Methodist Episcopal Church, as the Centenary Biblical Institute. In 1890, the school's name changed to Morgan College in honor of Dr. Lyttleton Morgan, whose gift of a large sum of money enabled the school to offer academic work at the college level. The school remained under church jurisdiction until the State of Maryland purchased it by Chapter 331, Acts of 1939.

The College is fully accredited by the Middle States Association of Colleges and Secondary Schools and by the Department of Education of Maryland. It is also approved by the Regents of the University of the State of New York, the American Medical Association, and by the American Chemical Society.
