

student housing facilities. Student union buildings at College Park and Baltimore have been constructed as well as a combination Physical Education and Auditorium building at College Park. The Regents issue such bonds directly with the payments of principal and interest made from revenues realized from the use of the buildings (Code 1957, 1969 Repl. Vol., Art. 77A, secs. 20-27AD).

There are four principal campuses of the University located in Baltimore, Catonsville, College Park, and Princess Anne. University College, a unit under a chancellor, administers adult and continuing education courses and programs and awards degrees.

The Baltimore campus is located at Lombard and Greene Streets. The schools of Dentistry, Law, Medicine, Nursing, Pharmacy, Social Work and Community Planning offer both professional and graduate instruction. Complementing these schools are: the University Hospital, the Maryland Institute for Emergency Medicine, the Institute of Psychiatry and Human Behavior, and the Health Sciences Library.

The Baltimore County (UMBC) campus is located in Catonsville at the southeast corner of the intersection of the Baltimore Beltway and Wilkens Avenue. Undergraduate offerings include a range of programs in the arts, sciences and humanities; professional and pre-professional programs in teacher education, social work, nursing, pharmacy, dental hygiene, medical technology, physical therapy, pre-law, pre-dental, pre-medical and combined degree programs in medicine, law, and dentistry. Graduate programs are developing, with a doctorate in applied mathematics presently offered.

At College Park instruction is offered at undergraduate and graduate levels in a wide variety of disciplines. There are the Colleges of Agriculture, Business and Management, Education, Engineering, Human Ecology, Journalism, Physical Education, Recreation and Health; the Schools of Architecture and Library and Information Services. The schools, colleges and departments are within the divisions of (1) Agricultural and Life Sciences, (2) Mathematical and Physical Sciences and Engineering, (3) Behavioral and Social Sciences, (4) Arts and Humanities, (5) Human and Community Resources.

The Eastern Shore campus (UMES) is located at Princess Anne. This campus offers baccalaureate degree programs within three divisions: (1) Liberal Studies, (2) Professional Studies, and (3) Experimental Studies. There are teaching degree areas and non-teaching degree areas including agriculture, art education, biology, building construction, business administration, chemistry, elementary education, English, history, industrial education, home economics, mathematics, music education, physical education, social sciences education, and sociology. Minor areas include economics, foreign languages, political science and physics. The initial years of nursing and pharmacy are offered at UMES.

University College has its administrative headquarters and its conferences and institutes center at College Park. As stated above, University College administers the adult and continuing education programs of the University of Maryland with fiscally self-supporting courses and programs offered in the late afternoon and evening on the several campuses, and at off-campus centers throughout the State of Maryland. University College also maintains overseas centers for United States military personnel and civilians logistically supported by U. S. government agencies abroad in the European, Atlantic and Far East Divisions. In addition, University College, through its Conferences and Institutes Division, has an extensive series of non-credit adult courses, seminars, workshops, and institutes. University College is the State Agency for Title I of the Higher Education Act of 1965, administering cooperative programs between Maryland colleges
