Membership in the Corporation is on a voluntary basis, and is available to all savings and loan associations throughout the State that meet the qualifications of the Maryland Savings-Share Insurance Corporation. The Corporation is funded by the member savings and loan associations.

The Corporation consists of eleven directors, eight of whom are elected by the member associations and are representatives of the member savings and loan associations. All terms after the initial selection are for four years. The Governor with the advice of the Secretary of Licensing and Regulation, appoints three directors for four-year terms. The Corporation selects its own Chairman and adopts its own rules, by-laws and regulations (Code 1957, 1966 Repl. Vol., Art. 23, secs. 161MM-161XX).
