

The Governor originally appointed the State Planning Council in 1971 to carry out the provisions of the Federal Developmental Disabilities Services and Facilities Construction Act as amended by the Developmental Disabilities Services and Facilities Construction Amendments of 1970. He reconstituted this Council in 1973 in order for the State to qualify for certain Federal grants to finance services and facilities for the mentally retarded and persons with other developmental disabilities, and for mental health centers. The Council membership consists of at least one third parent-consumers and two thirds professional. Members will serve at the pleasure of the Governor.

The Governor appointed this special Commission in 1970 at the request of the General Assembly to study ways of improving negotiations between non-professional public school employees and the State and local governments. The Commission consists of seventeen members including members of the General Assembly, the Secretary of Personnel, the President of the Baltimore Teachers Union, representatives of local school systems, various colleges in the State, the Maryland State Teachers Association and others. The Commission is continuing its studies and has heard extensive testimony from representatives from boards of education and organizations representing teachers and non-certificated public school employees expressing their views concerning tentative legislative proposals being studied by the Commission (Res. No. 39, Acts of 1970).

#### **PUBLICATIONS REVIEW COMMITTEE**

Jacob J. Edelman, Vladimir A. Wahbe, Frank A. DeFilippo.

The Governor appointed this special Committee in 1969 to screen all State-published brochures for any possible racial slurs. The Committee has issued a directive to all State agencies requiring each to submit all non-technical brochures and pamphlets to it prior to printing.
