

name in 1960. Designed to provide active treatment programs within a setting of maximum security, the hospital is located midway between Baltimore and Washington, D.C.

The hospital receives patients who are referred by the courts of Maryland for pre-trial psychiatric evaluation and provides a residential service for individual offenders who have been found to be "not guilty by reason of insanity," as well as hospitalization for inmates of penal institutions who become mentally ill and require such hospitalization. In addition, the hospital accepts transfer patients whose illness requires maximum security treatment for a period of time. The hospital is designed for a capacity of 246.

**REGIONAL INSTITUTE FOR CHILDREN AND
ADOLESCENTS—BALTIMORE**

Roger Olson, Ph.D., Acting Director

605 Chapel Gate Road, Baltimore

Telephone: 363-1466

This Center provides intensive inpatient and outpatient psychiatric treatment for children who are seriously emotionally ill. The Institute formerly consisted of the Esther Loring Richards Building opened in 1958 and the Jacob E. Finesinger Building opened in 1961 on the grounds of the Rosewood Hospital Center. In 1973 the Institute was moved to the former St. Peter's College in West Baltimore. It is licensed for 80 patients.
