The State Board of Chiropractic Examiners, created by Chapter 666, Acts of 1920, consists of three practicing chiropractors who must be residents of the State and graduates of a resident course in chiropractic, and have practiced chiropractic in the State for a period of at least five consecutive years. The Governor appoints one member each year from a list of five names, including the incumbent member, submitted to him by the Maryland Chiropractic Association. Such members serve three-year terms (Code 1957, 1971 Repl. Vol., Art. 43, secs. 499-512; 1968 Repl. Vol., Art. 48A, sec. 489). The Board examines applicants for licenses, investigates all complaints, and if necessary, reports them to the State's Attorney.

The Board holds two examinations each year, in March and September. It has power to investigate and ascertain whether the several schools of chiropractic meet the requirements of the law. Each person holding a chiropractic license in Maryland must renew it annually with the Secretary of the Board (Code 1957, 1968 Repl. Vol., Art. 48A, sec. 489).
