The Maryland State Employees Deferred Compensation Plan was established by Chapter 433, Acts of 1974. The Board

of Trustees was created by Executive Order on August 15, 1974 and exercises the general supervision over the Plan.

The Plan develops a deferred compensation plan for State employees which meets the criteria for approval by the U.S. Internal Revenue Service. The Plan allows employees to set aside a portion of their earnings into a tax-sheltered savings and retirement program. Money invested is tax free and basically allows employees to defer present income for long-term savings to supplement retirement and other benefits (Code 1957, 1970 Repl. Vol., 1975 Supp., Art. 73B, secs. 66-70).
