

REGIONAL INSTITUTE FOR CHILDREN AND ADOLESCENTS — BALTIMORE

Norma Hauserman, Ph.D., *Superintendent*

605 Chapel Gate Road
Baltimore 21229 Telephone: 455-7152

This Center provides intensive inpatient and outpatient psychiatric treatment for children who are seriously emotionally ill. The Institute formerly consisted of the Esther Loring Richards Building, opened in 1958, and the Jacob E. Finesinger Building, opened in 1961, on the grounds of the Rosewood Hospital Center. In 1973, the Institute was moved to the former St. Peter's College in West Baltimore. It is licensed for 80 patients.

MARYLAND PSYCHIATRIC RESEARCH CENTER

William T. Carpenter, M.D., *Superintendent*

P. O. Box 3235
Catonsville 21228 Telephone: 455-7101

The Maryland Psychiatric Research Center, established by Chapter 558, Acts of 1967, is located on the grounds of Spring Grove State Hospital. Construction was begun in June 1967 and completed in 1968. The Center is operated by the University of Maryland under an agreement with the Department.

The Center provides a program of basic and applied interdisciplinary research in mental illness and mental retardation. It also coordinates research activities at the various State mental hospitals and offers training in research for graduate and post-graduate students in psychiatry and behavioral sciences (Code 1957, Art. 59, secs. 19C and 19D).

WALTER P. CARTER CENTER

Robert G. Jacobs, *Medical Facilities Administrator*

Albert Dowdell, *Director, Mental Hygiene Program*

George A. Lentz, M.D., *Director, Mental Retardation Program*

630 W. Fayette Street
Baltimore 21201 Telephone: 528-2228

The services available at this facility were developed in anticipation of the Community Mental Health Center, which has been constructed adjacent to the University of Maryland Hospital in Baltimore. In 1967 the Center began offering comprehensive community mental health services to all residents of a designated area in Baltimore City. These services include inpatient and outpatient care, limited hospitalization, and emergency and consultative education.

The Center at present maintains three outpatient satellites that provide care for adults, adolescents, and children. Short-term residential care is available in the Center as are many outpatient services. Psychiatric emergency service is available to area residents twenty-four hours a day, seven days a week. Consultation and education services are provided to various agencies, including police, courts, schools, housing projects, juvenile services, and day care centers.

The mental retardation facility housed at the Center provides diagnosis and evaluation services, particularly to educate families of retardees and to assist them in formulating and implementing life-time service plans. The facility is licensed for 113 patients.

THOMAS B. FINAN CENTER

Robert R. Grooms, Ph.D., *Assistant Director, Mental Hygiene Administration*

Country Club Road
P.O. Box 1722
Cumberland 21502 Telephone: 777-2240

The Thomas B. Finan Center was established by Article 59, sec. 31, Annotated Code of Maryland. The Center is a multi-program facility operated by the Mental Hygiene Administration, which provides services to children and adolescent, adult, and aged individuals with mental disabilities. It also provides services for alcohol and drug abusers and for mentally retarded persons. The Center serves the residents of Allegany, Garrett, and Washington counties. The first residents were admitted in October 1978. The facility is licensed for 300 residents.

DRUG ABUSE ADMINISTRATION

Richard L. Hamilton, *Director*

201 W. Preston Street, 4th Floor
Baltimore 21201 Telephone: 383-3959
