The Director is appointed by the Governor upon the recommendation of the Secretary of Health and Mental Hygiene. The Deputy Director is appointed by the Director with the approval of the Secretary.

The Administration certifies for operation within the State the public and private institutions, organizations, and agencies that deal with the Department in the area of juvenile delinquency.

The Administration supervises two State training schools. This includes development and promulgation of regulations, standards of care, and policies affecting operation and management of programs serving children in these schools.

The Administration also supervises the State's four Youth Centers, formerly known as Forestry Camps, for delinquent boys. It is authorized to transfer boys to these Centers from Boys' Village, Montrose School, and the Maryland Training School for Boys who could benefit from such care.

The Administration supervises the Maryland Children's Center at 5200 Westland Blvd., Baltimore. The Center was opened in 1957 as a facility for short-term detention and study of children judged delinquent by the Courts. The Administration also supervises the Thomas J.S. Waxter Children's Center at 375 Red Clay Road, S.W., in Laurel. The Center, opened in 1963, is a forty-bed facility for the detention of juvenile offenders.

The Administration supervises intake, probation, and after-care post-institutional supervision and counseling staff to all juvenile courts. Probation and after-care are separate functions, with probation being the supervision of youngsters who are adjudicated delinquent but not institutionalized, and after-care being the supervision and counseling of youngsters for a prescribed period of time upon their release from an institution (Code 1957, Art. 52A, secs. 2-23).
