The Advisory Council on Drug Abuse, created by Chapter 404, Acts of 1969, consists of certain ex officio members and nine members representing the general public who are appointed by the Governor for three-year terms. The ex officio members are the State Superintendent of Schools, the Director of Mental Hygiene, the Assistant Secretary of Health and Mental Hygiene, the Commissioner of Labor and Industry, the Commissioner of Correction, the Director of the Division of Parole and Probation, the Chairperson of the Maryland Parole Commission, the Director of the Drug Abuse Administration, the Mayor of the City of Baltimore, and the Secretary of the Department of Human Resources. The Council designates the Chairperson and the Vice Chairperson who must be members appointed from the general public.

The Council advises the Governor and the Drug Abuse Administration on the formulation of a comprehensive plan for long-range development through the utilization of federal, State, local, and private resources of adequate services and facilities for the prevention and control of drug addiction, diagnosis, treatment, and control of drug addicts, and the revision from time to time of such a plan. The Council also promotes, establishes, coordinates, and conducts unified programs for education, prevention, diagnosis, treatment, rehabilitation, and control in the field of drug abuse in cooperation with other federal, State, local, and private agencies. The Council further evaluates existing and planned programs and facilities administered by the Administration (Code 1957, Art. 43B, sec. 3).
