The Board of Examining Moving Picture Machine Operators, created by Chapter 693, Acts of 1910, consists of three members appointed by the Governor with the advice of the Secretary of Licensing and Regulation for two-year terms. One member must be from the Maryland Fire Underwriters Rating Bureau, one must be a licensed moving picture machine operator and a member of the Moving Picture Operators' Union, and the third must be an exhibitor licensed to operate

motion picture machines. All members must have had at least three years experience in this business and must have resided in Baltimore City for at least two years immediately before their appointments (Chapter 216, Acts of 1949).

The Board examines, licenses, and supervises operators of moving picture machines in Baltimore City only. Applicants are eligible for examination after six months work under a licensed operator, and examinations are both written and practical. The Board has power to suspend and revoke licenses, which must be renewed annually. It must meet at least once a month.

Under the provisions of the Regulatory Programs Evaluation Act of 1978, this Board will terminate July 1, 1981.
