The Criminal Justice Information Advisory Board was created by Chapter 239, Acts of 1976. For budgetary and administrative purposes only the Board is within the Department of Public Safety and Correctional Services. The Board consists of a member of the Senate appointed by the President, a member of the House of Delegates appointed by the Speaker, the Executive Director of the Governor's Commission on Law Enforcement and Administration of Justice who serves ex officio, three persons from the Judicial Branch of the State government appointed by the Chief

Judge of the Court of Appeals, the Secretary of Public Safety and Correctional Services, who serves ex officio, two executive officials of police agencies, one executive official from a correctional services agency, two elected county officials, the Attorney General of Maryland who serves ex officio, one elected municipal official, one State's Attorney, and one public member, all appointed by the Governor for three-year terms. The Governor designates the chairperson.

The Board advises the Secretary of the Department of Public Safety and Correctional Services and the Chief Judge of the Court of Appeals on matters pertaining to the development, operation, and maintenance of the Criminal Justice Information System as it relates to the security and privacy of criminal history record information. The Board monitors the System; recommends procedures and methods for the use of criminal history record information for research, evaluation, and statistical analysis of criminal activity; recommends legislation necessary to implement, operate, and maintain the System; and reports annually to the Governor and the General Assembly on the development and operation of the System.

The Secretary of the Department of Public Safety and Correctional Services and the Chief Judge of the Court of Appeals adopt rules and regulations for the establishment, operation, and maintenance of the System. These rules and regulations include those governing the collection, reporting, and dissemination of criminal history record information by the courts and all other criminal justice agencies; those necessary to insure the security of the system and all criminal history record information; those governing the dissemination of criminal history record information consistent with federal law and regulations; those governing procedures for inspecting and challenging criminal history record information; and those governing the auditing of criminal justice agencies to ensure that criminal history record information is accurate and complete and is disseminated in accordance with provisions of the legislation.

The System's central repository is used for the collection, storage, and dissemination of criminal history record information. It is operated by the Maryland State Police.

The Act provides that every criminal justice agency report criminal history record information to the central repository and establish time requirements for reporting various types of information and reporting methods that may be used. The Secretary of the Department of Public Safety
