The Medical Mutual Liability Insurance Society of Maryland was created by Chapter 544, Acts of 1975. The Society is governed by an eleven-member board of directors initially appointed by the Governor. Thereafter, the directors are to be elected by the members of the Society in accordance with the articles of incorporation and bylaws.

The purpose of the Society is to provide for the payment of indemnities to persons suffering injury arising out of the rendering or failure to render professional services by physicians and to provide the means whereby the physicians may obtain insurance against liability for injury due to the rendering or failure to render any professional service subject to the limitations and immunities mentioned. The organization is funded by premiums established for the professional liability and related lines of insurance sold to physicians in Maryland (Code 1957, Art. 48A, secs. 547-555).

The Charter of Maryland empowered Lord Baltimore to raise troops to put down insurrection or rebellion and to subdue the enemies of the province. Since that time the organization, maintenance, and administration of the State militia has been an integral part of the State's functions. The present military establishment of Maryland conforms to Title 32, U.S. Code and regulations issued pursuant thereto, and to the Militia Law of Maryland (Code 1957, Art. 65).

The Adjutant General is appointed by the Governor with the consent of the Senate and serves until his successor is appointed and qualified or until he is removed from office as a result of sentence imposed by court martial (Const. 1867, IX; 2 ). The Ranking Line Officer (at the present time also the Adjutant General) is head of the Military Department and exercises all his powers and duties under the Militia Law of Maryland.

The Military Department prepares all State forms and records required for use by the militia and the reports and returns required by the Federal Government. It maintains a register of all commissioned officers and service records of all officers and enlisted men of the Maryland National Guard.

The Ranking Line Officer is the custodian of all State and federal property used by the organized militia and apports and provides for the proper application of funds for the military establishment. He also maintains all State-owned armories located in Maryland and all other properties that may be occupied, purchased, or leased by the Military Department. The Ranking Line Officer makes all regulations for the use of such facilities and applications for their use should be made to him. In addition, he is responsible for the administration, training, and supply of approximately 8,000 National Guardsmen, includ-
