The Board is composed of the Director, the three Associate Directors, the Professor of the University of Maryland School of Law, the Professor of the University of Baltimore School of Law, and one of the two members of the Board of Patuxent Institution who are members of the Maryland Bar, and a sociologist appointed by the Board from the faculty of an accredited institution of higher education in Maryland.

The Board of Review is charged with reviewing at least once a year the status of each eligible person and his progress under a written treatment plan. It makes appropriate written recommendations for the future treatment and status of the person following each review. The Board is authorized to grant leave or parole to eligible persons, if it concludes that such leave or parole will not impose an unreasonable risk to society and will assist in the treatment and rehabilitation of the eligible person. The Board may attach reasonable conditions to the leave or parole and may revoke the status if it finds that the person has violated such conditions. If the person has successfully completed three years on parole without violation and the Board of Review concludes he is safe to be permanently released, it may petition the court to suspend the remaining sentence under conditions the court deems appropriate or to vacate the remaining sentence. If in its review the Board concludes that the person is no longer an eligible person but should remain confined until paroled by the Parole Commission, or until the expiration of his sentence, or if the person requests a transfer in writing, the Director notifies the Commissioner of Correction and the person is transferred to the appropriate correctional facility designated by the Commissioner. The person may not apply for readmission to Patuxent Institution within three years of his transfer from the Institution.

The Maryland State Police, originally established by Chapter 303, Acts of 1935, had its functions recodified by Chapter 547, Acts of 1968. The Agency is charged with enforcement of the motor vehicle and criminal laws of the State, and, more specifically, with safeguarding the lives and safety of all persons within the State, protecting property, and assisting all persons to secure the equal protection of law. The Agency also has the responsibility to preserve the public peace; detect and prevent crime; enforce the laws and ordinances of the State and its local subdivisions; apprehend and arrest criminals and those who violate or are lawfully accused of violating such laws and ordinances; preserve order in public places; maintain the safe and orderly flow of traffic on public streets and highways; cooperate with and assist law enforcement agencies in carrying out their duties; and discharge its duties and responsibilities with the dignity and manner that will inspire public confidence and respect.

The Agency has statewide jurisdiction, except in incorporated municipalities. Within such municipalities its jurisdiction is limited to: (1) when in pursuit of an offender or suspected offender; (2) when in search of an offender or suspected offender wanted for a crime committed outside the limits of the municipality, or when interviewing or seeking to interview a witness or supposed witness to such a crime; (3) when a crime is committed in the presence of the police employee, the arrested party shall be immediately transferred to the custody of the local law enforcement agency; (4) when requested to act by the chief executive officer of the municipality in question or its chief police officer; (5) when ordered by the Governor to act within the municipality in question; (6) when enforcing the motor vehicle laws of the State, except when in Baltimore City; (7) in Baltimore City only when enforcing Title 22 of the Transportation Article; (8) in any building or place when ordered by the president of the Senate and the speaker of the House, or either of them, to guard the safety of the legislative process; and (9) when protecting the safety of an elected State official (Code 1957, Art. 88B, secs. 3, 4, 20, and 23).

The State Police also enforce the provisions of the Code relating to controlled dangerous substances (narcotics) throughout the State without any limitation as to activities within municipal corporations or other subdivisions (Code 1957, Art. 27, sec. 298 (g)).

The Superintendent directs the State Police. He is appointed by the Governor with the advice and consent of the Senate to serve at the pleasure of the Governor. With the approval of the Secretary
