The Commission originally was created in 1966 as the Maryland Educational-Cultural Television Commission (Chapter 202, Acts of 1966). In 1967 its functions expanded and it was renamed the Maryland Educational-Cultural Broadcasting Commission (Chapter 645, Acts of 1967). In 1969 it became the Maryland Public Broadcasting Commission (Chapter 405, Acts of 1969). The Commis-

sion was created to develop, operate, and maintain a system of State, regional, and local facilities to provide educational and cultural television and radio programming throughout Maryland.

The Commission consists of eleven members appointed by the Governor for five-year terms. One member must be the State Superintendent of Schools. Two other members are designated by the State Board of Education. Members are chosen because of their interest in public education, libraries, art, music, drama, higher education, the television and radio industries, or other categories to be chosen by the Governor to bring special competence to the Commission's membership. The Governor designates the chairperson and the vice-chairperson (Code Education Article, sec. 24-201 through 24-206).
