

savings and loan associations throughout the State (Chapter 131, Acts of 1962). Membership in the Corporation is available to all qualified savings and loan associations in Maryland. The Corporation is funded by the member savings and loan associations.

The Corporation consists of eleven directors, eight of whom are elected by the member associations and are representatives of the member savings and loan associations. Members serve four-year terms. The Governor, with the advice of the Secretary of Licensing and Regulation, appoints three directors for four-year terms. The Corporation selects its own chairperson and adopts its own rules, by-laws, and regulations (Code Financial Institutions Article, secs. 10-101 through 10-117).

Created in 1961, the State Scholarship Board administers various scholarship programs (Chapter 412, Acts of 1961). These include the General State Scholarships, Senatorial Scholarships, House of Delegates Scholarships, Reimbursement of Firemen, Grants for War Orphans and Children of Missing-in-Action (MIA) and Prisoner-of-War (POW) servicemen, Scholarships for Orphans of Firemen and Policemen. They also include Scholarships for Vietnam Veterans, Scholarships in Medicine (University of Maryland), Scholarships at the Professional Schools, the Physician Assistant and Nurse Practitioner Program, Postsecondary Proprietary School Grants, Graduate Nursing Scholarships, and the Distinguished Scholar Program and Tuition Assistance Education of persons to teach in an area of critical shortage or Teacher Education Grants. The Board is empowered to implement these programs by appropriate rules and regulations, provide for and conduct examinations of applicants, determine financial need, and select scholarship recipients (except in the Senatorial Scholarship Program).

The Board consists of nine persons appointed by the Governor. The membership is composed of one president of a State college or university, or his nominee; one president of a private college or university, or his nominee; one president of a community college, or his nominee; a financial aid officer of a college; one representative of a public high school in the State; and four citizens chosen for their interest in higher education. Members serve six-year terms. The Governor designates the chairperson (Code Education Article, secs. 18-201 through 18-205).

A brochure describing the State scholarship programs in detail is available upon request.

The Interagency Committee on Public School Construction was established in 1971 (Code Education Article, sec. 5-301). The responsibility for State supervision of school construction activities is assigned to this tri-agency committee, with the State Superintendent of Schools serving as chairperson.

Each school system in the State submits to the Interagency Committee by December 7 of each year its capital improvement program for the following fiscal year, plus an updated continuing five-year plan. The Committee either approves, defers, or modifies a school system's proposal in consultation with local school board staff. The Committee submits with recommendations a consolidated statewide capital improvement program to the Board of Public Works, which acts at a special public meeting in January. The bond authorization or loan responding to the approved allocations is made by the General Assembly.

Appropriations for the expense of administrative operations are included in the annual budgets of
