The Board of Revenue Estimates and the Bureau of Revenue Estimates were created in 1945 (Chapter 991, Acts of 1945). The Board is composed of the Comptroller of the Treasury, the Treasurer of the State, and the Secretary of Budget and Fiscal Planning. It studies the findings and recommendations of the Bureau and then sends to the Governor, for submission to the General Assembly, an itemized statement of anticipated revenues for the succeeding fiscal year, together with its recommendations. The Bureau studies and analyzes all sources of revenue, prepares for the Board the findings for the itemized statement of anticipated revenue, devises equitable and economical means of collection of such revenue, and devises and recommends new sources of revenue.

The Director of the Bureau of Revenue Estimates, in conjunction with the State Comptroller's Office, prepares and submits to the members of the General Assembly by the end of each January and July an itemized statement of revenue estimates for the six-month period ending on the next
