The State Advisory Council, also known as the Unemployment Insurance Advisory Council, aids the Secretary in formulating policies and resolving problems concerning the administration of the Unemployment Insurance Law. The Secretary of Economic and Employment Development appoints the Council consisting of an equal number of employer and employee representatives, and as many public members as needed (Code 1957, Art. 95A, sec. 12).

BOARD OF APPEALS

Chairperson: Thomas W. Keech, 1987

Hazel A. Warnick, 1991; *one vacancy.*

Vacancy, Appeals Counsel

1100 N. Eutaw St.
Baltimore 21201 Telephone: 383-5032

The Board of Appeals, also known as the Unemployment Insurance Board of Appeals, hears appeals on claims for unemployment insurance benefits. It also hears appeals that arise under the taxing provisions of the Unemployment Insurance Law and other matters that require appellate adjudication, such as appeals associated with the migrant and seasonal farm worker program. The Board's three members are appointed for six-year terms by the Secretary of Economic and Employment Development with the approval of the Governor (Code 1957, Art. 95A, secs. 7, 11).

Under the Board's jurisdiction is the Appeals Unit. The Unit conducts hearings on all claimants' or employers' appeals from unemployment insurance claims determinations in the Department's local offices. Claimants may appeal determinations disqualifying them for benefits, and employers may appeal determinations allowing benefits. An appeals referee hears all such appeals.

Any aggrieved party may appeal to the Board of Appeals. Final appellate recourse is to the courts of Maryland.
