The Clifton T. Perkins Hospital Center was established in 1959 as Maximum Security Hospital (Chapter 814, Acts of 1959). It adopted its present name in 1960. The facility provides treatment programs within a setting of maximum security.

The Center receives patients referred by the courts of Maryland for pretrial psychiatric evaluation. It provides a residence for individual offenders who have been found not guilty by reason of insanity, as well a hospital for inmates of penal institutions who become mentally ill and require involuntary psychiatric hospitalization. From other State psychiatric hospitals, the Center also accepts transfer patients whose illness requires maximum
