

business a file in which to preserve, for a period of not less than five years, every prescription compounded or dispensed.

The Board consists of eight members. Six are licensed pharmacists and two are consumer representatives. All are appointed by the Governor with the advice of the Secretary of Health and Mental Hygiene for five-year terms. Each pharmacist member of the Board is selected from a list of recommendations submitted by the Maryland Pharmaceutical Association. Appointed with the advice and consent of the Senate, the consumer members cannot have had training as a pharmacist or have a financial interest in a related field. Two members must be residents of Baltimore City, two must be residents of the counties of the State, and three must be from the State at large. The Board may designate an executive director.

Authorization for the Board continues until July 1, 1993 (Code Health Occupations Article, secs. 12-101 through 12-802).

The State Commission on Physical Fitness was created in 1963 (Chapter 606, Acts of 1963). The Commission works to protect and improve the physical fitness of the residents of this State. It disseminates information about physical fitness, and collects and assembles information from State departments and agencies. To further its work, the Commission maintains liaison with the State

Department of Education, the City of Baltimore and county Boards of Education, private and parochial schools, and physical fitness commissions.

The Commission consists of twenty-five members appointed by the Governor with the advice of the Secretary of Health and Mental Hygiene. Members serve four-year terms and are chosen for their interest or experience in physical fitness for both youth and adults. The Governor designates the chairperson. The Secretary of Health and Mental Hygiene appoints the Executive Director.

The Governor also appoints in each county and the City of Baltimore a local Physical Fitness Commission, composed of from fifteen to twenty-five residents of the particular political subdivision. The Secretary of Health and Mental Hygiene designates the chairperson of each local Commission (Code Health—General Article, secs. 13-401 through 13-412).

Created in 1947, the State Board of Physical Therapy Examiners examines, licenses, and registers physical therapists and physical therapy assistants who wish to practice in Maryland (Chapter 606, Acts of 1947).

The Board consists of six members appointed to five-year terms by the Governor with the advice of the Secretary of Health and Mental Hygiene. Five members are licensed physical therapists. Of these, at least four must be engaged primarily in the clinical practice of physical therapy in Maryland. Each physical therapist member must be engaged in the profession of physical therapy in this state and, immediately prior to appointment, must have at least five years experience in physical therapy administration, education, practice, or research. The fifth member is a consumer. Physical therapist members are chosen from lists submitted to the Governor and the Secretary of Health and Mental Hygiene by the American Physical Therapy Association of Maryland. The consumer
