The Governor appointed this committee in 1967 to carry out the terms of the National Historic Preservation Act of 1966 (P.L. 89-665). The law requires that the State of Maryland nominate properties to be on the National Register of Historic Places. These nominations must be reviewed by the Consulting Committee prior to their submittal to the National Park Service.

In October 1983, the Governor created this committee under the Maryland Historical Trust. The Committee provides oversight and advice regarding operational and development planning of the Jefferson Patterson Park and Museum at St. Leonard, Calvert County. Opened to the public in 1984, the Park and Museum extends along 2 and 1/2 miles of shoreline on the Patuxent River and St. Leonard's Creek. It is located on the 512-acre Point Farm, which was deeded to the State by Mary Marvin Breckinridge Patterson in honor of her husband, Jefferson Patterson. Here scientists have found evidence of prehistoric Indian sites, 10 to 12 million-year-old invertebrate fossils, and remnants of early European settlements. The Park and Museum will be developed over the next ten years as an educational, research, and recreational facility.

**MARYLAND ADVISORY COUNCIL ON
HISTORIC PRESERVATION**

Chairperson: Henry R. Lord, 1990

Phoebe B. Stanton, 1988; June L. Evans, 1989;
four vacancies.

Ex officio: Vacancy, *Secretary of Housing and Community Development;* Earl F. Seboda, *Secretary of General Services;* Constance Lieder, *Secretary of State Planning;* Richard H. Trainor, *Secretary of Transportation.*

The Maryland Advisory Council on Historic Preservation was created in 1985 (Chapter 500, Acts of 1985). The Council is a dispute resolution body that meets only when the Maryland Historical Trust and another State unit are unable to agree upon a solution to minimize adverse effects from State-assisted undertaking on properties listed in or eligible for listing in the National Register of Historic Places.

The comments of the Council are advisory, and final decisions regarding affected projects rest with the cognizant agency head. State agencies may also seek the advice of the Council at the agency's discretion in similar cases involving a State permit or license (Code 1957, Art. 41B, secs. 5-616 through 5-619).

The Council consists of seven members. Three members are appointed by the Governor. Two of these must have expertise in history, archeology, or other appropriate disciplines relating to historic preservation, and the third represents the public. The Secretaries of General Services, Housing and Community Development, State Planning, and Transportation serve *ex officio*. The Secretary of Housing and Community Development is designated chairperson.
