The Scenic and Wild Rivers Review Board was created in 1968 (Chapter 85, Acts of 1968). The Board reviews all inventories, studies, plans, rules, and regulations prepared in accordance with the Scenic and Wild Rivers law. In the review, full consideration is given to the recommendations of the Secretary of Natural Resources, local governing bodies, and local advisory boards. The Board also recommends to the General Assembly resource management plans for the rivers, shorelines, and related lands included in the scenic and wild rivers program, and recommends additional rivers and tributaries for the program.

With the advice and consent of the appropriate local governing body, the Review Board appoints a local scenic and wild river advisory board for each river in the Scenic and Wild River Program.

The Board consists of the Secretaries of Agriculture, the Environment, Natural Resources, and State Planning, and a Garrett County Commissioner who votes only on matters pertaining to the wild portion of the Youghiogheny River (Code Natural Resources Article, secs. 8-401 through 8-411).

The following local advisory boards have been appointed:

**Anacostia River Local Advisory Board**  
Inactive since 1985.

**Monocacy River Local Advisory Board**  
Dr. James Gilford, *Chairperson*

**Pocomoke River Local Advisory Board**  
Inactive since 1984.
